Learning Methods

The delivery models can vary.

- ✓ This would usually consist of a participative approach using tutor input, role plays, discussions, independent research, group and paired work and a case study backed up with handouts to reinforce learning.
- ✓ This includes skills practice which will be assessed through observation and reflection.
- ✓ Personal commitment, ability to meet deadlines and regular attendance is essential.

Assessment methods

- ✓ Each candidate is required to complete a portfolio of evidence which demonstrates the achievement of all learning outcomes and assessment criteria associated with each unit.
- ✓ Evidence within the portfolio could include: journal reflections, peer feedback; assignments and a case study (contextual study), task sheets.
- ✓ The portfolio is submitted twice during the course for Internal and External Awarding Board Moderation purposes.
